

REMARKS

Status of the Claims

Claims 1-6, 8 and 11-14 are pending in this application. By this Statement, Applicants respond to the Correction of Drawings Requirement set forth in the April 17 Notice of Allowance, and submit Applicants' Statement of Substance of Interview for the May 3 telephone interview with Examiner Sterling. No Amendments are presented. Claims 7 and 9 previously were canceled.

Summary of the Office Action

In the Office Action, all pending claims 1-6, 8 and 11-14 were allowed; the drawings were objected to as failing to illustrate every feature recited in the claims.

Reconsideration and withdrawal of the objection rejection respectfully are requested in view of the above amendments and the following remarks.

Allowable Subject Matter

Initially, Applicants gratefully acknowledge the Examiner's indication that the Application contains allowable subject matter, and that all pending claims 1-6, 8 and 11-14 are allowable over the prior art.

Summary of Examiner Interview

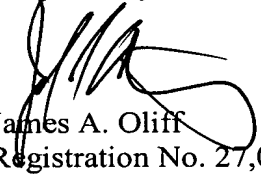

Applicants' attorney gratefully acknowledges the courtesies extended to him by Examiner Sterling in conducting a telephone interview on May 3, 2006. In that interview, Applicants' attorney discussed the claimed invention and the drawings; in particular, Applicants' attorney directed the Examiner's attention to Figs. 2 and 3 as illustrating the feature of "a plurality of pawls on the second positioning enclosure." Upon further review, Examiner Sterling agreed that each of the features recited in the claims is illustrated in the drawings. Examiner Sterling requested that Applicants submit the present Statement to complete the record.

Conclusion

Applicants believe that the present Statement is responsive to each of the points raised by the Examiner in the Official Action and the telephone interview, and submit that the application is in condition for allowance. Passage to issue of the present application at the Examiner's earliest convenience earnestly is solicited.

Should the Examiner believe that anything further is desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact Applicants' undersigned representative at the telephone number listed below.

Respectfully submitted,

James A. Oliff
